OAK TRESTLE TABLE

Proudly handmade at our workshops in Suffolk, England

The trestle table is one of the earliest dining table designs and this has a simplicity that works in both a traditional and contemporary interior. The simple oak top sits atop two turned legs with bracketed feet. Our oak trestle dining table is made from the finest oak and then hand-made and hand-finished at our workshops in Ipswich. As with all our oak furniture it comes in our five standard finishes, but if you want to match an existing piece, we can do that too.
