MAHOGANY SERPENTINE BOOKCASE WITH ROSEWOOD CROSSBANDING

Proudly handmade at our workshops in Suffolk, England

A Mahogany Display Cabinet of classic Chippendale influenced design, this is richly inlaid and crossbanded. The sweeping astragal glazing to the break-fronted top encases hand cut glass behind which the cabinet is lined with silk. The four-door serpentine base has fielded panels framed by Rosewood crossbanding and shield shaped escutcheons. The swan neck open fretwork pediment with central urn and gilded highlights finish this superb piece of fine craftsmanship.

Finishes

A finish is a very personal choice, one of our experienced sales team will discuss and advise on the best finish for your piece of furniture.

All finishes are hand applied to give the piece that extra high quality finish.
